EDITORIAL

At the last committee meeting it was decided to initiate a monthly bulletin "FREEWHEELING". This is the first of what it is hoped will be a successful publication. Your support is essential. Anything of interest to club members, comments on events, letters to the editor, hints on maintenance, information wanted, vehicles or parts for sale or wanted, rumour and gossip will be published. Please forward any material to the Editor by the 25th of the month for it to appear in the following edition.

Please give your full support so that "FREEWHEELING" can have the same spectacular growth the club has had since it's inception.

DON HARDIE.

EXHAUST NOTES.

Rumour at the Motorkhana was that Herbert Penhauser will soon have a perspex bonnet on his 105 so he won't have to keep opening it.

Exhaust Notes
cont'd..

Our Publicity Officer and founder member, Tess Berrell, now has two more distinctions. She owns the oldest and smallest car in the club. A 1925 (4?) 9 HP you know what. Although bodyless (the car) it's quite a find.

Start working for the Concourse D'elegance NOW!! Only five more months to get that car into shape.

Question of the Month: How many boxes does it take to pack up a Speed 20?

Answer: Ask Alex McPherson - he's moving.

WANTED: Correspondent to write "Exhaust Notes" Top sleuth needed to ferret out all happenings, journalistic experience probably a handicap.

MOTORKHANA REPORT

A motorkhana at Bungool Picnic Grounds, the club's first sporting event, proved to be an interesting day for everyone and a successful one for Lance Hocking in particular. Lance was the outright winner of the events in his 75 HP P3 model (known as Lance's "Little Black Box!")

Some of the events with modifications could be used in another motorkhana in the distant future.

Tess Berrell
Publicity Officer.
