

ROVE2020

SA Fleurieu Peninsula - Victor Harbor

October 23 to 26, 2020

1st Update, May 2019

Firstly, you will see that the RCCSA sub-committee has 'struck' a logo that epitomises the forthcoming ROVE2020 which will be held on the Fleurieu Peninsula, based in the historic town of Victor Harbor. Yes, there will be "Vikings at Victor".

Set out in this is our advance information in regard to events proposed for the weekend and a listing of accommodation options. We chose Victor Harbor due its historic significance in the early history of South Australia and that its location is on the picturesque Fleurieu with its stretches of beautiful beaches and scenery.

Victor Harbor is the largest town on the Fleurieu being 80kms south of Adelaide, main industries being agriculture, fishing and tourism boasting a population of 15,248 (2016 Census). During October we can expect the weather to provide highs of around 21°C with an overnight low of 10°C, perfect for "Britain's Finest", our Rovers. It is home to the iconic horse drawn tram to Granite Island, terminus for Steamranger's Cockle Train that is generally steam locomotive hauled to Goolwa, travelling along the scenic coastline via Port Elliot and Middleton.

Given the interest shown in a Post-Rove, this will be considered with details released in due course.

Draft Itinerary - subject to change.
