• A reminder that your membership renewals for 2021 are now due and payable by 1st January. If you are driving a car on Historic Plates (that includes anyone using the 60 day log book scheme) it is a condition of the RMS NSW and the ACT Road Transport Authority that you maintain continuous membership of the ROC, otherwise you are driving an unregistered and uninsured car.

Rob Turner as Webmaster is also responsible for the distribution of all web based communications – which includes the distribution of RoverNET and *Freewheeling*.

We all talk to each other. Regularly. You can contact any one of us and we will ensure that the information is made available and displayed in the relevant formats.

Use of vehicles on Club plates – your responsibilities...

Through the ROC, members are able to access ‘club’ plates for the registration of eligible vehicles in NSW and the ACT. Each scheme is different and members should familiarise themselves with the requirements for participation. Links to the schemes are provided below, and information is also available on the Club website.

A reminder for users of the NSW 60 day log book:

- (1) – if the vehicle is for personal use, complete the log book before commencing your journey;
- (2) – if attending a Club event, carry with you printed evidence of the event; and
- (3) – ensure that your Certificate of Approved Operations and evidence of current Club membership is with you in your car.
