Links to the schemes are provided below, and information is also available on the Club website.

A reminder for users of the NSW 60 day log book:

- (1) – if the vehicle is for personal use, complete the log book before commencing your journey;
- (2) – if attending a Club event, carry with you printed evidence of the event; and
- (3) – ensure that your Certificate of Approved Operations and evidence of current Club membership is with you in your car.
